Addgene Ordering Policy

- All orders must be placed online at www.addgene.org. Addgene does not fulfill orders that are submitted by email, fax, phone, or through an internal purchasing system.
- Addgene accepts payment by credit card and Purchase Order.
 - Credit card payments will be processed after the order ships.
 - For payment by Purchase Order, an invoice will be generated after the order ships. Payment terms are Net 30 days. Only one Purchase Order number accepted per order.
- Promotion codes must be entered during checkout in order to receive the discount.
- Customers are responsible for all taxes, duties, tariffs, and permit fees assessed in connection with the purchase of materials.
- All orders require an acceptance of terms of use before shipment.
- All required information must be submitted to Addgene before an order can begin processing for shipment.
