Item	Cat. #	Description	Format	Qty	Unit	Unit Price	Total Disc	Line Total	Comment
1	11297-H08H1	Recombinant Human Clusterin Protein (sCLU, His Tag)	Lyophilized	1	100 µg	240.00	12.00	228.00	
2	10069-H08H	Recombinant Human Carboxypeptidase E/CPE Protein (His Tag)	Lyophilized	1	50 µg	320.00	16.00	304.00	
3	10817-H30E	Recombinant Human Apolipoprotein E/APOE Protein (isoform E3, His & Trx Tag)	Lyophilized	1	100 µg	80.00	4.00	76.00	
4	10143-H08H	Recombinant Human CHL-1/L1CAM-2 Protein (His Tag), HPLC-verified	Lyophilized	1	50 µg	320.00	16.00	304.00	
5	ShippingFee	SpecialFreeze Shipping	Liquid	1	1 Service	270.00	0.00	270.00	

Vat: 0.00

Total: 1182.00

Currency: EUR

**Shipping options**

1. Shipped at ambient temperature: €45 (default for protein and antibody products)
2. Frozen liquid shipped with dry ice: €270(The shipping charges in other currencies may not exactly equal to the prices based on exchange rate and also depend on the actual shipping cost to different territories.)
3. Most of proteins are Lyophilized Powder and can be shipped at ambient temperature.
4. Antibodies can be shipped at ambient temperature, or with cold pack or with dry ice

**Terms and Condition**

1. The quote shall apply only to direct order. The quotation no. must be referenced at time of order.
2. This quotation contains our confidential pricing information which if disclosed to third parties could cause competitive harm to us. The customer agrees to keep all pricing information contained herein confidential.

Products are for RESEARCH use only.
