*Duties and Taxes: Import duties, taxes, and brokerage fees are separate from shipping and handling costs and are not included in the custom service or catalog product price. International clients are responsible to pay duty and tax for customs clearance purpose.

*Turnaround Time may vary depending on the size and complexity of the project. The Estimated Turnaround Time includes the production time of template plasmids if applicable, and does not include delays incurring due to waiting time for customer-provided material, project communication after order confirmation, or "pause/hold" request by customer.

*Due to recent global shipping and custom backlog, additional 2-7 business days may be needed. Shipping time varies based on destination and shipping courier.

Please note:

Your confirmation of this order constitutes a binding contract on you and/or the entity you are on behalf of. All the performance under this order shall also be governed by the Standard Service Agreement, which you may refer to on our website https://www.genscript.com/standard_t_c.html. If you have already concluded a Master Service Agreement ("MSA") with GenScript, then the MSA will automatically govern and apply to the order instead of the Standard Service Agreement.

Your quotation can only be used once. When an order is processed with reference to a quotation, it will no longer be valid.

Coupons shall be used pursuant to the applicable agreement between you and GenScript, including but not limited to COLLABORATIVE AGREEMENT.

DISCLAIMER for International Orders

Duties and Taxes: Import duties, taxes, and brokerage fees are separate from shipping and handling costs and are not included in the custom service or catalog product price. Import duties, taxes, and brokerage fees will be collected from the freight carrier upon delivery for certain packages. These charges are the package recipient's responsibility as GenScript only charges the transportation fee for the packages. You may check with your country's customs office to determine what these additional costs will be.

International clients are responsible to pay duty and tax for customs clearance purpose. If your organization has duty or tax exemption certificate, please send it to our technical account manager (TAM).
