Our Offer

Thank You for Your request for offer. We are pleased to offer Università del Piemonte Orientale (UPO) (hereinafter "Client") our expertise for preparing a proposal for the Horizon Europe call "HORIZON-HLTH-2025-01-DISEASE-07".

Oy Culmentor Ltd. is a company specialised in the preparation and implementation of EU funded development projects, and management of investment projects. Since its foundation in 1999, Culmentor has taken part in an extensive range of development projects of varying complexity. Culmentor's clients have typically represented companies from start-ups to large international corporations, research and education and public sector organisations.

Validity of Offer

This offer is binding and valid until 05.09.2025.

Further Information

For further information, please contact Heidi Honkanen (phone: +358 40 5915340, e-mail heidi.honkanen@culmentor.com).

Oulu, Finland 25.08.2025

Jukka Hellgren
Oy Culmentor Ltd.
Managing Director

1. Culmentor's expertise

1.1. Company

Oy Culmentor Ltd. (Business ID 1521870-7), founded in 1999, is a Finnish company specialized in providing services for project management, consultancy and implementation. Culmentor has two business strands: EU funding services and investment project management.

Culmentor's clients include European organisations from large corporations to SMEs, universities, research institutes and public sector organisations. Our personnel have strong multi-sectoral expertise in national and international projects and business. Culmentor is a member of the European Association of Innovation Consultants (EAIC; <http://www.eaic.eu/>).

1.2. Personnel

Heidi Honkanen (Senior Expert, MSc) will act as the Culmentor's Principal Consultant in the implementation of the work offered hereby. Heidi has worked on EU project related tasks at Culmentor since 2006 and she has a strong track record of consulting grant-winning funding proposals for various EU programmes.

Culmentor will not use subcontractors in the work.

2. Service description and schedule

Culmentor will support the Client in creating a proposal for the call "HORIZON-HLTH-2025-01-DISEASE-07 – Tackling high-burden for patients and under-researched medical conditions" that will close on 16 September 2025. Culmentor's main tasks consist of reviewing texts written by the Client and the project consortium to ensure that the proposal meets the Horizon call requirements and award criteria. Culmentor may also carry out other tasks, as requested by the Client.

Estimated workload (proposal): Up to 30 hours

A detailed task list and ceiling for Culmentor's working hours will be fixed with the Client at the contract phase, together with the schedule for the services.

3. Pricing model and price of the service

The service is provided based on hourly pricing model.

Price for the service: 100,00 € / hour (excluding VAT)

No travelling is included in the service.

4. Invoicing and validity of prices

The work will be invoiced in one batch in September 2025, after the call deadline.

Terms of payment: 30 days net

Validity of prices: The prices are valid until 31.12.2025.
