					Total Amount(EUR)	€280.40		

*Duties and Taxes: Import duties, taxes, and brokerage fees are separate from shipping and handling costs and are not included in the custom service or catalog product price. International clients are responsible to pay duty and tax for customs clearance purpose.

*Turnaround Time may vary depending on the size and complexity of the project. The Estimated Turnaround Time includes the production time of template plasmids if applicable, and does not include delays incurring due to waiting time for customer-provided material, project communication after order confirmation, or “pause/hold” request by customer.

Please note:

Your confirmation of this order constitutes a binding contract on you and/or the entity you are on behalf of. All the performance under this order shall also be governed by the Standard Service Agreement, which you may refer to on our website https://www.genscript.com/standard_t_c.html. If you have already concluded a Master Service Agreement ("MSA") with GenScript, then the MSA will automatically govern and apply to the order instead of the Standard Service Agreement.

Your quotation can only be used once. When an order is processed with reference to a quotation, it will no longer be valid.

Coupons shall be used pursuant to the applicable agreement between you and GenScript, including but not limited to COLLABORATIVE AGREEMENT.

DISCLAIMER for International Orders

Duties and Taxes: Under Free Carrier (FCA) terms, GenScript's responsibility for the goods ends once they are handed over to the client's designated carrier at the agreed collection point. All risks, including loss or damage to the goods, transfer to the client at the time of handover.

The client is solely responsible for arranging transportation from the collection point, as well as for all transportation costs, import duties, taxes, brokerage fees, and customs clearance procedures in the destination country. These charges are separate from the product price and are not included in GenScript's services.

Clients are advised to consult their designated carrier or their country's customs office to determine the applicable import requirements and any additional costs prior to shipment.
