<b>E-mail</b>	<a href="mailto:simona.casarella@uniupo.it">simona.casarella@uniupo.it</a>	<b>Lead time</b>	2 - 3 weeks after ordering

Peptide Name	Yield (mgs)	Purity	N-term	Sequence	C-term	Price*	Comments
Peptide 1	50mg	95%		KKGSYNNIVVHV		€494.00	
					Shipping Fee	€30.00	
					Project Total excluding taxes/VAT*	€524.00	

**All peptides are supplied as gross weight of product.**

**Quality Control:** A Certificate of Analysis will be provided for each peptide ordered. Each CofA will specify the HPLC gradient used to determine the peptide purity. MS and HPLC profiles will also be included as part of the CofA.

Peptides are manufactured in an ISO 9001:2008 facility.

**Quality Guarantee:** Customer is responsible for verifying the amino acid sequence, if using the quotation as the ordering document.

**Format:** Each peptide will be lyophilized and supplied in a 5-mL screw cap tube.

**Shipping and Handling:** All tubes will be shipped at room temperature. All packages are shipped priority overnight. Estimated delivery time is ~4 weeks from the date of order placement.

**Ordering:** All orders must have an accompanying purchase order or credit card number before synthesis commences. Payment Terms: Net 30 days

All Purchase Orders should be made payable to Merck Life Science

**Pricing Conditions:** Sigma reserves the right to modify pricing if the specifications change. The customer will be notified in writing prior to any change from the original quoted price.

**\*Pricing specified is net price before taxes/VAT.**
