Product and Warranty:

12 months. If installation is provided by Agilent Technologies, the warranty starts from the date of installation and no later than 30 days from the invoice date. For instruments not installed by Agilent Technologies, the warranty begins on the invoice date.

Terms and Conditions:

The sale of Agilent Products and Services referenced in this quotation is subject to the then current version of [Agilent's Terms of Sale](#), and any Supplemental Terms or Occasional Reseller Terms of Sale or other applicable terms referenced herein. Invoices will be issued upon shipment of the goods. The payment terms stated in this Offer shall be subject to the approval of Agilent's credit department. The sale of Microplates Products shall be subject to Microplates Terms of Sale and any Supplemental Terms or other applicable terms referenced herein. The sale of Microplates Tooling Products shall be subject to Microplates Tooling Terms of Sale and any Supplemental Terms or other applicable terms referenced herein. All of the above "Terms" as applicable. A copy of the Terms is either attached or has been previously provided to you. Please contact us if you have not received a copy or require an additional copy. If you have a separate agreement in effect with Agilent covering the sale of Products and Services referenced in this quotation, the terms of that agreement will take precedence for those Products and Services. Agilent expressly objects to any different or additional terms in your purchase/sales order documentation, unless agreed to in writing by Agilent. Products and Services availability dates are estimated at the time of the quotation. Actual delivery dates or delivery windows will be specified at the time Agilent acknowledges and accepts your purchase order. The above conditions shall apply to the fullest extent permitted by the law. You may have other statutory or legal rights available. Commodities, technology or software exported from the United States of America ("U.S.") or from other exporting countries will be subject to the U.S. Export Administration Regulations and all exporting countries' export laws and regulations. Diversion contrary to U.S. law and the applicable export laws and regulations is prohibited.
